Chief Executive Officer

Dear Sir,

LETTER OF GRATITUDE TO 5TH AVENUE CAPITAL AND FOUNDATION MEMBERS

This is to convey to your good self, the management of 5TH AVENUE CAPITAL and the esteemed members of your Foundation, the profound appreciation of the management of SA&B GLOBAL RESOURCES NAMIBIA PTY LIMITED for the approval of the sum of \$400 Million (Four Million US Dollars) for the Namibian Hospitality and Humanitarian Projects.

There comes a time in the life of a person, a group, an organization, a society, even a country, when an awesome catalyst would bring about a great change, a wonderful progress. This catalyst could manifest as an event in itself or as an inspired person who himself is a source of inspiration to others.

We have watched, since the initial contact with you, dear Mr. Rodriguez, how you have taken keen interest in the Namibian projects and worked assiduously to secure an initial approval of \$400 million for the projects. In addition to this, you have also taken helpful lead in efforts to secure the 1% equity contribution as required by the conditions of the funding approval.

The way and manner in which you have thrown yourself into this wonderful dreams of Namibians in particular and Africans in general has been engaging, inspiring and very illuminating. You were able to bring your friends along to believe in these projects. To us, at SA&B, you represent HOPE and FULFILMENT at the same time. You are a divine gift.

It is very important for us to let you know that we are very grateful to God for making our paths to cross so that the dreams of millions of others could and would be fulfilled. We are very appreciative of your person and all that you stand for.

Your sincerity of purpose, honesty, dedication, commitment and dependability are great values that we recognize and appreciate. Your hard work and readiness to lift others is legendary to us. This story of yours is yet to be told, at least appropriately, and it would be told, soon.
